

WARRANTY

VETROSEAL GLASS SPECIALTIES INC. warrants, subject to the conditions and restrictions contained below, that every sealed insulated glass unit manufactured by **VETROSEAL GLASS SPECIALTIES INC.** shall be free from material obstruction of vision resulting from film formation or dust collection between the glass surfaces for a period of ten (10) years. This warranty will be void if sealed insulated glass units are not installed in accordance with our instructions; or are damaged in handling or installation; or if the unit is subjected to stresses resulting from localized application of heat which causes excessive temperature differentials over the glass surfaces or edges of the unit; or if strain is applied to the unit by movement of the building; or if provisions have not been made in accordance with sound practice for adequate expansion or contraction of framing members; or if the unit has been subjected to abnormal operating conditions. Warranty coverage does not extend to seal failure incident to cracked or broken glass; seal failure caused by outside agents (i.e., window cleaning chemicals or oil based back-bedding compounds, etc.); installation at altitudes in excess of 6,000 feet above sea level; installation in high vibration areas (i.e. airports) or high-moisture areas (i.e., swimming pool enclosures); or seal failure caused by application of films or decorations (i.e., sun-absorbing or reflecting films, Christmas decorations, etc.). Our maximum liability under this warranty shall be the replacement of the lite of glass only, F.O.B. the point of original delivery, and does not cover products that have not been paid for in full, labour, installation, repainting, refinishing or other similar activities connected with replacement of the sealed unit. Coverage shall be only for the unexpired portion of the warranty period applicable to the original glass. The date of manufacture is marked on the spacer bar.
